## OH HOLY NIGHT

Oh, holy night! The stars are brightly shining  
It is the night of our dear Saviour's born  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth  
A thrill of hope the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees!

Oh, hear the angel voices  
Oh, night divine  
Oh, night when Christ was born  
Ohh ohhh  
Oh, night divine  
Truly He taught us to love one another  
His law is love and His gospel is peace  
Uhhhhhhhh uhhhhhh  
Chains shall He break for the slave is our brother  
And in His name, all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
Let all within us praise His holy name

Christ is the Lord!  
Oh, praise His Name forever  
His power and glory evermore proclaim  
Ohhhhhhhh ohhhhhhh  
His power and glory evermore proclaim  
Ah fall on your knees!  
Oh, hear the angel voices  
Oh, night divine  
Oh night divine  
Night divine  
Beautiful Saviour  
Sent down from heaven  
Come let us worship  
Come let us worship
